

USF

Currently, USF has **24.000 students**, more than **600 teachers**, and **59 postgraduate programs** distributed across four campuses:

Bragança Paulista, three in Campinas, and Itatiba, all located in the state of São Paulo, Brazil.

Education for Peace

Mission

To educate for peace and good, with academic excellence, pluralism, innovation, and sustainability.

Vision

To be nationally recognized for academic excellence, the promotion of sustainable innovation, regional development, justice, and peace.

Values

Transformative Integral Education, Solidary Humanism, Respect for Diversity, and Sustainable Innovation.

Internationalization Policy

- USF's Núcleo de Relações Internacionais (NRI), translated to International Relations Center, is a unit dedicated to promoting and managing the university's **international relations**.
- Its main goal is to foster **academic** and **cultural cooperation** between USF and other educational institutions worldwide.
- Support students and faculty in international **mobility processes**.
- To promote the **internationalization** of the curriculum.

4 QUALITY EDUCATION

Ensure inclusive, equitable, and quality education, and promote lifelong learning opportunities for all.

**WE SUPPORT
THE GLOBAL COMPACT**

Education for Peace

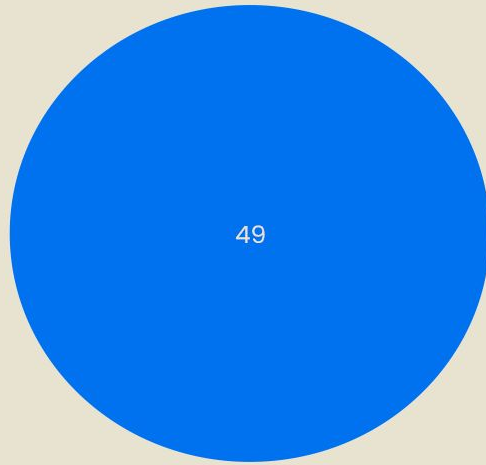

- **Academic Quality:** Academic programs recognized nationally and internationally.
- **Infrastructure:** Modern and well-equipped campuses.
- **Research Opportunities:** Access to innovative research projects.
- **Student Life:** A wide range of extracurricular and sports activities.
- We are starting Portuguese courses for foreigners, as well as English and Spanish courses for all students.

- UAlg - University of Algarve*
- UAlg - University of Algarve
- TRU - Thompson Rivers University

Mobility in the Health field (2021-2024)

- Campinas - Swift
- Campinas - Cambuí
- Campinas - Cambuí

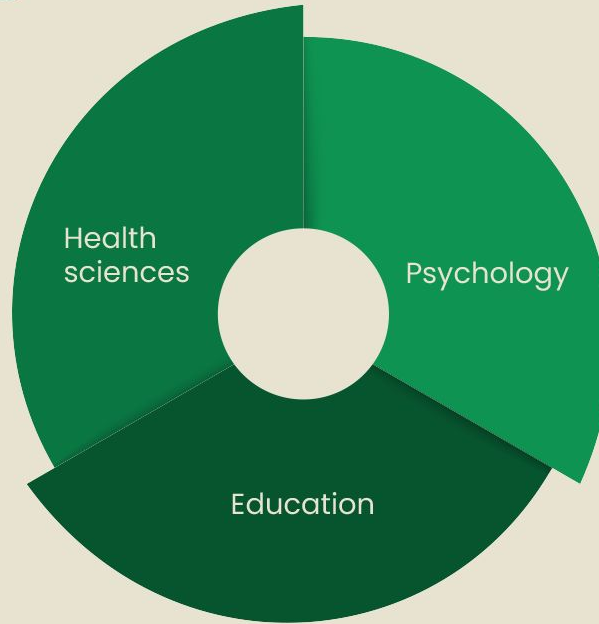

- Itatiba

Stricto Sensu Postgraduate Programs

Our Psychology program has the **highest rating in Brazil** with a **score of 7**, while our Education and Health programs have **scores of 5**.

Both the Education and Health programs have strong international collaborations for students, faculty, and researchers in Europe and Latin America.

Exchanges in the Health field

- Health programs with established structures (Medicine; Physical Therapy...)
- Postgraduate Programs in Health:
- Realistic Simulation Center:
- UNIFAG:
- Provides an advanced learning environment for clinical practice.
- Collaboration with the International Federation of Medical Students Associations (IFMSA).

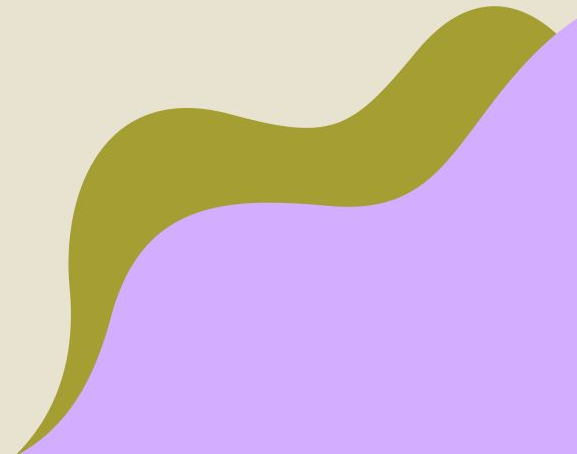

Exchange students welcoming

Beyond the possibility of studying regular curricular components in person or online, research, and extension, the mobility student at USF can also take:

- English I and II (starting in 2025)
- Portuguese I and II
- Basic Mathematics
- Mathematics for Engineers
- Portuguese for Foreigners (starting in 2025)

A free program for all students.

The Leveling and Updating Program aims to reduce **knowledge and skill gaps** to ensure that all participants are prepared for the demands of the academic curriculum. In the case of international mobility students, they have the opportunity to familiarize themselves with USF's teaching methodologies.

Get to know USF and Brazil
